

## Here's a breakdown of the coal prices we offer at Finglas Fuels:

Here's a breakdown of the coal prices for **smokeless coal** and **open-fire appliances** from Finglas Fuels:

### Coal for Stoves Prices

1. **Golden Glow 40kg**

**Price:** €32.00

A smokeless fuel manufactured by McLaughlin and Sons, ideal for stoves.

2. **Golden Glow 20kg**

**Price:** €16.00

A smaller, more affordable option of the same high-quality smokeless fuel from McLaughlin and Sons.

3. **Eco Stove 40kg**

**Price:** €35.00

Golden Glow Eco Stove, known for excellent burning performance and efficiency.

4. **Lignite Nuggets 20kg**

**Price:** €17.00

Smokeless lignite nuggets that burn completely, providing excellent heating.

### Coal for Open Fire Prices

1. **Magic Glow Coal 40kg**

**Price:** €32.00

A mix of pet coke and nuggets, offering a premium ovoid mix ideal for open fires.

2. **Calco Flame Coal 40kg**

**Price:** €32.00

Manufactured by Hayes, another mix of pet coke and nuggets designed for open fires.

3. **Union Nuggets 40kg**

**Price:** €33.00

Coyle Union Nuggets, specially manufactured for a consistent burn.

4. **Superglo Coal 40kg**

**Price:** €32.00

Traditional smokeless fuel from McLaughlin & Sons, great for open fire appliances.

## 5. Anthracite 40kg Grade A

**Price:** €38.00

High-grade anthracite coal, known for its excellent heat output and clean burning.

These prices offer options for both stove and open fire users, with a variety of high-quality smokeless coal products that ensure long-lasting, efficient heating.
